About Us

SCRIPTEL CORPORATION leads the way by advancing rugged, reliable eSignature and signature capture technology. Our verified Citrix Ready, plug-and-play hardware and software solutions make easy work of document signing, electronic recordkeeping and practice management in Dental, Healthcare, Retail, Tax Preparation, and other dynamic environments.

Scriptel (est. 1982) has a history of leading through innovation, bringing the first peripheral to mimic superior pen input on an LCD screen to market. Today, we produce and provide unmatched support for a full suite of ScripTouch® signature pad and workflow products, including EasyScript™ and ProScript™.

Scriptel is based in Columbus, Ohio, and has deployed more than 3 Million products worldwide. Which of our hardware and software solutions best suit your needs? Find out at **https://scriptel.com**.
