

CITRIX Ready

# What it Means and Why it Matters

The Citrix Ready program makes it easy for customers to identify and implement third party solutions to enhance virtualization, networking and cloud computing solutions from Citrix.

## Verified Citrix Ready

Customers can be confident that Scriptel signature pads have successfully passed a series of tests established by Citrix, and can be trusted to work effectively with Citrix applications to:

- Deliver high-quality handwritten signatures to electronic documents
- Avoid error-prone and expensive print-sign-scan interactions with customers and vendors
- Enable a completely paperless operation

## Deploy with Confidence

Scriptel electronic signature pads are compatible with:

- XenApp and XenDesktop Service for Citrix Cloud
- Windows Server 2008 R2 and above with ScripTouch Remote software
- Windows Server 2012 R2 and higher with Citrix Generic USB forwarding
- XenApp 6.5-7.5 using ScripTouch Remote and up
- XenApp 7.6+ and XenDesktop 7.0+ using either ScripTouch remote or Citrix Generic USB Direction
- Citrix Generic USB Redirection requires Windows Server 2012 R2 or higher (XenApp only) and Citrix Receiver 3.5 or higher for both XenApp and XenDesktop
- Thin Clients and Zero Clients, including, Wyse Dell, IGEL, Teradici (PCoIP) and others

## Seamless Integration

- Modern interface using strictly USB end-to-end
- No COM port administration required

## The Scriptel Advantage

Scriptel is committed to the highest quality standards. Our signature pads are rated for more than 1 million signatures resulting in durability you can depend on for years to come. We also offer free, lifetime software updates, and unlimited support that includes our:

- Industry leading 3-year warranty
- RapidCare overnight replacement service
- No monthly fees or subscriptions

## About Scriptel

35 years  
industry expertise

3 million+ solutions  
deployed worldwide

100% U.S. manufacturing,  
service and support

Based in Columbus, Ohio, Scriptel has been the leader in capacitive pen digitizing since 1982. We're the only maker of electronic signature pads that uses capacitive sensing technology, the same technology used in smartphones. Our ScripTouch electronic signature pads and custom OEM components for the retail point-of-sale and digital workflow markets deliver rugged reliability with unrivaled support.

Wondering if a Citrix Ready Scriptel signature pad is the right solution for you? Request your [30-Day Risk-Free Evaluation](#) today!
