

Power Your Paperless Future

Scriptel® enables your paperless future with innovative electronic signature capture solutions.

Our innovative eSignature solutions are designed to help you modernize your document approval process, and transition to a paperless workflow. Our seamless process allows you to capture signatures quickly and easily, while providing your customers with the best possible signing experience.

Paperless Solutions

Rugged Reliability

Industry–best Support

Software Excellence

Electronic Signature Pads

With several different models to choose from, Scriptel makes it easy to find the right solution for your needs and budget. Our signature pads feature a user-friendly USB interface, a variety of styles (including a magnetic stripe reader) and are verified Citrix Ready for healthcare applications.

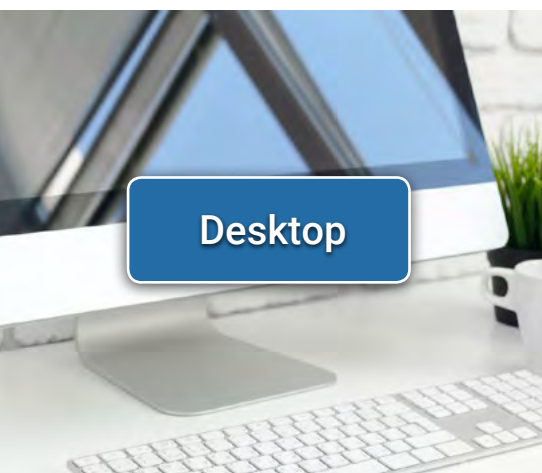

Bundled Software, Development Tools and Plugins

Scriptel signature pads include all the software, documentation, source code examples, demonstration videos, and expert technical assistance you need to get up and running quickly.

In addition, leverage our plugins to support eSignatures without added hardware, or convert mobile devices to eSignature pads to capture signatures in popular applications such as:

- Adobe Acrobat and Reader
- Microsoft Word and Excel
- Google Docs and Sheets
- OpenOffice Write and Calc
- TWAIN Compatible Applications

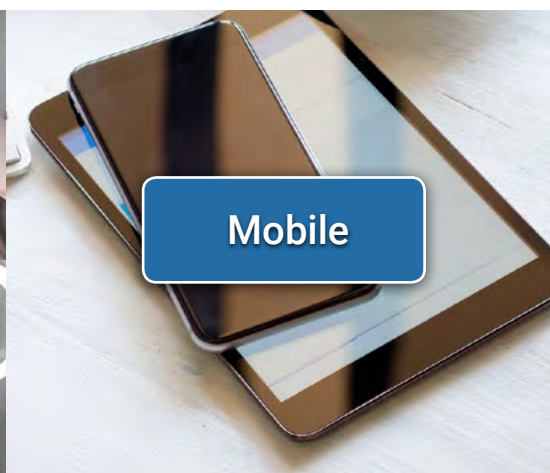

Multiple Deployment Options

Desktop

Cloud

Mobile

Superior Quality, Service and Support

Scriptel is committed to the highest standards in excellence and performance. Our signature pads are rated for more than 1 million signatures resulting in durability you can depend on for years to come.

We also offer free, lifetime software updates and unlimited support that includes our:

- ✓ Industry leading 3 year warranty
- ✓ RapidCare overnight replacement service
- ✓ U.S. Based Service and Support

Legal

About Scriptel

**35 years
industry expertise**

**3 million+ solutions
deployed worldwide**

**100% U.S. manufacturing,
service and support**

Based in Columbus, Ohio, Scriptel has been the leader in capacitive pen digitizing since 1982. We're the only maker of electronic signature pads that uses capacitive sensing technology, the same technology used in smartphones. Our ScripTouch electronic signature pads and custom OEM components for the retail point-of-sale and digital workflow markets deliver high reliability with unrivaled support.
